

**Adonai Roi** is a Messianic Jewish Hebrew speaking Congregation. 'Adonai Roi' is Hebrew for 'The Lord is my Shepherd'. It was founded by **Avi and Chaya Mizrachi** in the summer of 1996 with a few people meeting in a private home. As the Lord added to their numbers, the small group grew and is now a vibrant congregation in central Tel Aviv.

We are committed to sharing the gospel with Israelis and taking the good news of the Messiah to all peoples. Individuals or small teams have been sent to India, Iraq, Sri Lanka with the express purpose of sharing the gospel and offering humanitarian aid.

Teams have also gone out to churches around the world to teach about the Jewish roots of the Christian faith and to share the vision of God's heart for the people and the Land of Israel.

### Beit Asaph Messianic Congregation [www.beit-asaph.org.il](http://www.beit-asaph.org.il)

Beit Asaph was established in Netanya in the late 1970s because of the consolidation of two small groups of believers who discovered each other's existence by divine appointment. During 1980 the congregation began to express a clear identity, with consistent biblical teaching, celebration and interaction with other established groups around the Land. These roots of consolidation continue to be expressed in the inclusive nature of Beit Asaph. They have produced a strong vision for the unity of the believing community across all barriers.

Beit Eliyahu Messianic Congregation in Haifa <https://www.beitelyahu.org/>

We believe that God wants the community at Beit Eliyahu to be a place where there is growth!

It's only because of Him, who gave life and existence and brought us to this time, that we know that only in Him is strength to bring growth and bear fruit to His honor. We want to see growth in three ways and it's impossible to separate them from each other.

We want to grow closer to the Messiah.

We to grow closer to each other.

We want to grow closer to the world around us.

## **Beit Immanuel Congregation. Tel Aviv.** [www.messianic-jews.org](http://www.messianic-jews.org)

Beit Immanuel is a community of Messianic Jews and Gentiles bringing healing and restoration for the people of Israel and for the lost sons and daughters of this generation.

We are a family oriented ministry demonstrating the blessings of our rich heritage as the people of Israel together with our New Covenant commitment to Yeshua and the Spirit-led life. We are a community here to serve the people of our nation.

**Beit Immanuel is one of the first congregations of Messianic Jews** in modern Israel and we have been privileged to witness and help nurture the steady growth and maturing Messianic believers over the last 50 years in this land. Beit Immanuel is just one example of the many congregations in Israel learning to care for this new generation of Messianic Jews in exciting and demanding times.

We have a number of young men and women serving in the Israeli army, and we are blessed with many young people from the former Soviet Union. The large majority of our members are young families with small children.

We serve our community with Family Ministries, Children's Shabbat School, Youth Meetings, Single Parent Family Support, Feeding the Poor, Helping Holocaust Survivors, Men's and Women's Meetings, Support for soldiers serving in the Israeli army, Community Volunteering and more.

## **Beit Hallel Congregation**

In 2005 we started a first Hebrew speaking Messianic congregation in Ashdod, a coastal city in the southern Israel. Since the very beginning our vision and focus have always been on evangelism and gospel outreach, establishing a discipleship and training bible center to help raise up a new generation of Israeli leaders, as well as humanitarian outreach projects to help the poor and needy in our communities and cities. <http://vojisrael.org>

**Christ Church, Jerusalem (Old City)** <http://cmj-israel.org/christchurch>

**Christ Church is the oldest Protestant Church in the Middle East.** It was completed in Jerusalem in 1849 and soon after became known as the "Jewish Protestant Church." When writing about the establishment of the church, well known historian Stephen Neil called it "one of the strangest episodes of modern church history."

Christ Church is indeed unique. It was built for numerous reasons, but the foremost was that the founders of CMJ had a great love and concern for the Jewish people and wanted to share with them the Good News of Messiah Jesus. They also anticipated the Jewish return to the Land of Israel in fulfillment of what was understood to be Bible prophecy (long before the advent of Zionism) and wanted to be in a position to help that process. From the beginning, the message of CMJ has been to remind Christians of the great spiritual debt owed to the Jewish people.

The Jewish symbols and Hebrew texts found in the church are reminders that our faith is built upon the foundation of God's promises to the Hebrew patriarchs and prophets and that His covenant purposes for Israel have not been canceled (Rom. 11).

Today Christ Church is an evangelical Anglican congregation that worships in our historic church in the Old City of Jerusalem. The congregation, comprised of expatriates who have come to serve in Israel or the West Bank along with local believers (both Jews and Arabs), welcomes visitors and tourists to its worship services. We are an English speaking congregation that appreciates our Jewish roots in a liturgical and historical context. Towards this end we celebrate both Jewish and Christian holidays, incorporate some Hebrew into our liturgy and preach in a way to emphasize a Hebraic understanding of the Gospels. At the same time we remain unashamed of our Christian heritage and recognize that the spiritual treasures handed down to us by previous generations of Christians are part of our lives and worship.

**City of Life Messianic Congregation.** <https://www.clm-israel.org/>

Located in Sderot, southern Israel less than a mile from the border with Gaza, the congregation began as a group of prayer among young students from the local university in the year 2000.

The city has been an ongoing target of [Qassam rocket attacks](#) from the Gaza Strip since 2001 causing that at least 75 percent of children aged 4–18 in Sderot suffer from post-traumatic stress, including sleeping disorders and severe anxiety.

Sderot is infamously referred to as The "Bomb Shelter Capital of the World" because of its numerous bomb shelters some of which are built in the form of Children's Play areas in school playgrounds.

In this atmosphere of violence the Lord put us as a beacon of light to share the Gospel, pray and declare that this is a "City of Life"

## **Grace & Truth Christian Congregation**

Today Kehilat Hasdey Yeshua is home to a diverse mix of people – young and old, sabras and new immigrants, Jews and non-Jews. Our services are in Hebrew, but on any Shabbat morning you will hear translation (by means of earphones) into English, Russian, Spanish, etc.

## **Living Israel**

Messianic congregation "Living Israel" was born at the end of 1995 in suburbs of Haifa. It started from a small group of people who came from former Soviet Union.

During the past years God formed our vision and created a congregation. The vision of our congregation is planting of the new churches that will be capable to reproduce (multiply) themselves in the future.

As of today, 22 fellowships of "Living Israel" are already born. They are located in Kazrin, Tiberias, Karmiel, Nazareth, Maalot, Naharia, Akko, Kiriath Bialik, Kiriath Mozkin, Haifa, Hetanya, Rishon le Zion, Tel Aviv, Jerusalem, Ashkelon, and Beer Sheva.

The special feature of the "Living Israel" congregation the fact that most of the churches form around the community houses, the homes in which believers live as small communities. The ministry in such homes is directed to the drug and alcohol addicted people, homeless people, single mothers, elderly people and also new immigrants, etc.

We believe, that God called us to be His witnesses in Jerusalem, Judea, and to the ends of the earth. We are living in prophetic time, it's a time when the Lord is restoring Israel Spiritually and Israel is sending its messengers all over the world, as it was in the beginning of the church time.

## **Nachalat Yeshua (Yeshua's Inheritance) Cong.**

The first Messianic congregation/church in Beer Sheva in modern times (meaning our lifetime!) is called by the name Nachalat Yeshua, which means Yeshua's Inheritance. That's who we already are now, along with all others whose faith and hope are in Him, and it's what we have been set apart unto Him for: He is our inheritance, and we are His. **Isaiah 53:10-11** comes to mind, as we are His seed who have been purchased with a price and belong to Yeshua.

Translation is provided into Russian, English, and Spanish. We meet in an old Turkish house, privately owned property by Christians for about 100 years, in Beer Sheva's Old City (downtown). <https://www.streamsinthenegev.com/nachalat-yeshua2/>

## **Peniel Fellowship**

The gathering of the nation of Israel back to the land of our forefathers is the fulfillment of the **first part** of Ezekiel's "dry bones" vision. That is the **physical restoration** of our nation.

However, it is most exciting for us to live in Israel and to participate in the second part of this vision, the spiritual awakening of our nation Israel.

Together with the restoration of the people and the land of Israel, God has restored the ancient Hebrew language. As we study the Old and New Testaments in their original language & original settings, led by the Holy Spirit as our teacher, we come across wonderful spiritual truths which have been lost for ages because of the limitations of foreign translation.

On this website, we desire to share some of the treasures which the Lord has been revealing to us from His word over the years. The materials are divided into different languages marked by flags. You will find recordings of teachings and messages in both video and audio format.

May the pure water of the word bless you as it has blessed us! [www.penielfellowshipisrael.com/](http://www.penielfellowshipisrael.com/)

## **Roeh Israel**

Roeh Israel, "Shepherd of Israel," is a Messianic Jewish Congregation in Jerusalem. We call ourselves "Messianic" because we are followers of Yeshua who accept Him as Messiah. By "Jewish" we mean that the congregation follows the cultural pattern preserved in the Synagogue over the generations by the providence of God, and its normal outreach is to the Jewish

community. The pattern in the early community was that of cultural pluralism – Jews who remained Jews and non-Jews who remained non-Jews who worshiped the Lord together.

<http://www.netivyah.org/about/congregations/>

### **Shavei Tzion (Return to Zion)**

The name of the congregation, when translated from Hebrew, means Return to Zion. It actually reflects the character of our fellowship, as God has returned the majority of our members to Zion. In doing so, He has been fulfilling His promise that was spoken through the prophets thousands of years ago. There are those among us who came to faith in the God of Israel and His Messiah a while ago and were prompted to move to Israel. These are the people about whom the Scripture testifies, “... ***the Lord your God will gather you and bring you back.***” (Deut. 30:4)

Together with its daughter congregation in Nazareth, and the fellowships in Kiryat Yam, Akko and Puriya Illit, Shavei Tzion is part of the [Tents of Mercy Ministry Network](#).

### **Tehilat Yah**

We are a messianic fellowship founded in Rishon Letzion in 2008. Our congregation is messianic – we respect and celebrate the Jewish holidays and feasts our Messiah celebrated in this land and came to fulfil. We are non-denominational: anyone who believes in the sacrifice Yeshua wrought for him on the cross, received Him into his heart (according to Romans 10:17), and professes Him as his Lord and Savior, is welcome to be part of us. ## **Beit HaYeshua**

The Lord God of Israel is bringing the Jewish people back home as He promised in Ezekiel 36:24-27, where the Lord also promises to take out from us the heart of stone and give us a heart of flesh. God also speaks of a mighty outpouring of the Holy Spirit on Israelis as He

promises; "And I will put My Spirit in You". We are witnessing the first fruits of this move of God now. It is estimated that there are today in Israel well over 20,000 hard core drug addicts and many more alcoholics. <https://www.facebook.com/Beit-Hayeshua-281182652404/>
